

Amendment to Sailing Instructions

Race 5 – *The Big Lap*

1. Start times:

Race 5, (22nd June) of the Manly Combined Clubs, 2019 series will be run in conjunction with *The Big Lap*, a fund raiser for the Brain Foundation. In order to accommodate the variety of boats entered, the committee has amended the MCC sailing instructions principally to allow for an earlier start for the trailerable yacht division. This should allow them time to complete the course.

Start times will therefore be as follows:

MCC Division 1,2 & 3 Warning signal not before 0955 hrs

MCC Division 5 (multihulls) Warning signal not before 1010 hrs

Race 6 start times will be as normal (published on the MCC Sailing instructions)

2. Briefing times:

To allow for the earlier starting times, the briefing on Saturday will be held 1 hour earlier than normal for MCC races, at 0800 hrs under the deck at MBTBC.

Sunday (race 6) briefing will be at the normal time of 0900 hrs.

3. Courses:

A copy of ***The Big Lap*** course is on the website. This will be the course for the MCC Race 5 and The Big Lap.

Competitors are reminded that this race may be shortened as per the MCC sailing instructions.

Race finish cut off times will not apply for this race.

The course for race 6 will be announced at the briefing on Sunday morning.
